WATER MAINTENANCE TECHNICIAN

Job Title : Water Maintenance Technician
Reports To : Water/Wastewater Director
Department : Water Operations
Job Type : Full-Time
Pay Range : \$24.11 - \$33.27 per hour, DOQ
Benefits : Excellent benefit package
Location : Poulsbo, WA / Monday - Friday 7:30 AM - 4:00 PM, occasional overtime required

Job Summary:

Kitsap PUD is interested in adding a qualified Maintenance Technician to our team. Qualified applicants will possess the skills necessary to perform a variety of activities related to the maintenance and repair of water system infrastructure.

Duties and Responsibilities:

- Responsible for the preventative maintenance of water system infrastructure. Examples include: Valve exercising, flushing, inspection of control valves, fire hydrants, pressure tanks and standpipes.
- Responsible for identifying and repairing failing water system infrastructure. Examples include: general facilities building maintenance, water meter replacements, water main breaks, driving commercial vehicles and operating heavy equipment.
- Perform other work-related tasks, as assigned. Examples include: Grounds maintenance, meter reading and assisting construction.
- Participate in an on-call rotation, responding to emergency calls outside of normal work hours.
- The work environment is 95% outside manual labor and 5% office/shop facility duties, requiring frequent bending, grasping, kneeling, pulling, pushing, reaching, repetitive motion, lifting/carrying of objects weighing up to 15 pounds and occasional lifting/carrying of objects weighing up to 50 pounds.

POULSBO, WA 98370
OFFICE 360-779-7656
FAX 360-779-3284

Work Experience Qualifications and Skills:

- Prior excavation experience in the installation/repair of underground utilities including water and wastewater
- Prior experience in general facilities construction. Examples include: Concrete, framing and roofing.
- Experience in operating tools/equipment used in various construction activities
- Knowledge of occupational hazards and safety precautions when performing utility work
- Ability to work alone or as part of a team to identify and repair problems in a safe and efficient manner
- Ability to demonstrate a strong commitment to Kitsap PUD's core values when working; alone, within a team, and with customers
- Ability to be self-motivated and possess a strong work ethic in order to help meet the Districts' mission of "Strengthening Kitsap communities through responsive and sustainable utility services"

Position Requirements:

- Must be at least 18 years of age.
- High School Diploma or GED equivalent
- Valid Washington State driver's license
- 3-5 years minimum experience operating a backhoe or excavator
- Possession of a valid Class A CDL endorsement OR ability to obtain within one year of hire
- Ability to obtain a Water Distribution Manager 1 within one year of hire

Applicants are considered for all positions without regard to race, color, religion, sex, national origin, age, sexual orientation or genetic information.

Position will remain open until filled. Please submit a completed job application to: hrfinance@kpud.org.
